## **Frequently Asked Questions**

New York charter schools must have their charters renewed every five years. Charter schools accept students completely at random through a lottery.
- **Is there a cost to attend your school?** Absolutely not. Charter schools are tuition-free, like all public schools. All students, regardless of background, are eligible to submit an application for the lottery.
- **Do you provide transportation and breakfast and lunch?** Yes. Students at our school are eligible for the same transportation provided for all eligible New York City public school students. We provide free breakfast and free lunch to all our students as well.
- **My child is on an IEP or receiving other special services, can you accommodate his/her needs?** Yes. We work with the student's Committee on Special Education to accommodate all children and their individual learning needs.
- **Does your school provide services for English Language Learners?** Yes, services are available to support children who are English Language Learners.
- **Is there a school uniform?** Yes, the school uniform consists of khaki pants/khaki skirts and Oxford-style shirts and sweaters with the school logo purchased through Lands' End.
- **Where is your school located?** We are located at the current home of I.S. 252. The building is on 1084 Lenox Road between 94th and 95th Streets, off of Kings Highway, on the border of East Flatbush and Brownsville.

## **Important Information About Community School District Preference** (\*Note: Only necessary for 5<sup>th</sup> grade lottery applicants who are applying before April 1, 2009)

Based on legislation passed in the spring of 2007\*, beginning in the 2008-2009 school year, all New York City charter schools must give preference to students residing in the Community School District (CSD) in which the charter school is located. However, students who reside outside the CSD are eligible to apply and may be admitted if space permits.

### **Kings Collegiate Charter School is located in Community School District (CSD) # 18.**

To determine your CSD, please visit the New York City Department of Education website: <http://maps.nycboe.net>. Type in the four pieces of address information at the top of the page (Borough, House #, Street Prefix (if any), Street Name) and press Go. **Please note that this website is for informational purposes – you will receive confirmation of your CSD after you submit an application and proof of address.**

Your CSD is based on either the elementary or the middle school districts listed at the bottom of the page. Your child will be given preference in the lottery if you reside in CSD #18 for either the elementary school or the middle school. (Sometimes the districts will be different, sometimes the same.) If you are unable to access this website, please call the Office of Family Engagement and Advocacy at 212-374-2323.

**To verify that your address is located within the Community School District in which Kings Collegiate is located, you must provide one of the following documents. If you do not provide one of the following documents by the application deadline of April 1, your child's application will be entered in the lottery for admission, but will not be eligible for CSD preference.**

**ACCEPTABLE PROOFS OF RESIDENCY**

To verify that your address is located within the Community School District in which the school is located, you must provide one of the following documents. (Copies of these are acceptable.)

Accepted Documents	Valid Date for Document
A residential utility bill (gas or electric) in the resident’s name issued by National Grid, Con Edison or the Long Island Power Authority	Within 60 days prior to application submission

**If subletting or residing in a home where the parent is not a lease-holder:** You must provide a notarized “Address Affidavit” signed by both the primary leaseholder and the parent affirming that the family is residing in this home, **and submit one of the forms of proof above that shows the leaseholder’s name.**

**If you do not provide one of the above-listed documents to our Main Office by the application deadline of April 1, 2009, your child’s application will be entered in the lottery for admission, but will not be eligible for CSD preference.**

The following are NOT acceptable forms of proof of address:

- Cable bill

**Please note that we reserve the right to ask for additional documentation to establish that your address is within the school’s CSD. In addition, we reserve the right to expel any student if false CSD documents have been submitted with the application.**

## UNDERSTANDING OF EXPECTATIONS

Students selected for enrollment by lottery or waiting list must provide evidence in the form of permanent transcripts and report cards that they will complete their current grade by August 2009. If selected by lottery, students **MUST** take an assessment exam in the spring to determine possible summer session participation and appropriate grade placement. Families must sign a Permanent Records Release in order for the school to obtain the student's permanent transcript/health records.

## FAMILY ACCOUNTABILITY CONTRACT

In order for students to learn and grow, it is essential that we all do our part as Kings Collegiate Charter School students, parents, teachers, and administration all have responsibilities to promote student learning and growth. We are all educational partners who must do our part so that students can learn to the best of their ability.

The Student Handbook outlines what students, teachers, and the School Leaders must do to ensure student success. **This Family Accountability Contract describes important responsibilities and school expectations that families must understand and accept once they have made the choice to apply to and enroll at this school.** We know that the choice you made in coming here is a precious one and we want to make sure that you have a full understanding of your responsibilities as a Kings family.

**Please check each box to verify your agreement with the school's expectations:**
